

Kansas Administrative Regulations

Kansas Department of Agriculture

Article 25.—Grain Warehouse

4-25-22. Safety of facilities.

(a) Each public warehouseman shall ensure that the public warehouseman's licensed public warehouse can be safely examined and inspected.

(b) The performance of any examination or inspection of a public warehouse may be refused by the secretary if the secretary determines that the public warehouse is in such a condition that it cannot be adequately examined or inspected or that it presents a danger to the health and safety of examination or inspection personnel. A functional unit that is not examined due to a determination by the secretary pursuant to this regulation shall not be included on a daily position report, shall not be included in an examination, and shall not be used to cover a warehouse receipt or any other liability.

(Authorized by and implementing K.S.A. 34-102; effective Aug. 26, 2022.)
