Kansas Administrative Regulations

Department of Health and Environment

Article 35.—Radiation—Part 13. Contingency Planning for Response to Radioactive Material Emergencies.

28-35-404. Comment from off-site response organizations.

(a) Each applicant or licensee shall provide the contingency plan for comment to off-site response organizations expected to respond in case of an alert, site area emergency, or general emergency including, at a minimum, local fire, ambulance, emergency management, and hospital emergency response officials. The applicant or licensee shall provide the contingency plan to these organizations at least 60 days before submitting the plan to the department. Each applicant or licensee shall submit any changes to the plan to off-site agencies for comment before resubmitting the plan to the department.

(b) Each applicant or licensee shall provide each comment received within the 60 days specified in subsection (a) to the department with the initial or amended contingency plan. The applicant or licensee shall also provide to the department any proposed response to the comment or comments.

(Authorized by K.S.A. 48-1607; implementing K.S.A. 48-1602; effective Dec. 30, 2005.)
