Article 17.—Advanced Nursing Program

60-17-106. Clinical resources.

(a) Each advanced nursing program shall have contractual agreements. Each contractual agreement shall be kept on file in the advanced nursing program office.

(b) Clinical learning experiences and sites shall be selected to provide learning opportunities necessary to achieve the student learning outcomes.

(c) Faculty shall facilitate and evaluate student learning experiences in the clinical area.

(d) Preceptors shall be responsible for assessing performance in the clinical setting.

(e) The advanced nursing program shall provide verification that each agency used for clinical instruction has clinical facilities that are adequate for the number of students served in terms of space, equipment, and other necessary resources, including an adequate number of patients or clients necessary to meet the student learning outcomes.

(f) The advanced nursing program shall contract with an adequate number of appropriate affiliating agencies so that there will be appropriate clinical learning experiences to meet curriculum objectives or outcomes. The advanced nursing program faculty shall provide the affiliating agency staff with the organizing curriculum framework and either the objectives or outcomes for that clinical learning experience. A sufficient number and variety of patients representing appropriate age groups shall be available to provide clinical learning experiences to meet student learning outcomes. If more than one advanced nursing program uses the same affiliating agency, each advanced nursing program shall document the availability of appropriate clinical learning experiences for all of its students.
