Kansas Administrative Regulations

Department of Health and Environment

Article 4.—Maternal and Child Health—Hemophilia Program.

28-4-415. Conditions eligible for treatment.

Each person who is eligible for financial assistance under the hemophilia program shall meet one or more of the following conditions. (a) The person requires continuing home therapy, under the direction of a comprehensive center, with clotting factor to avoid extensive hospitalization and other disabling effects associated with this chronic bleeding condition.

(b) The person requires education concerning the administration and management of home therapy for hemophilia.

(Authorized by K.S.A. 65-1,134; implementing K.S.A. 65-1,132, 65-1,133; effective, T-85-41, Dec. 19, 1984; effective May 1, 1985; amended Sept. 12, 1997.)
