

Kansas Administrative Regulations

Department of Health and Environment

Article 4.—Maternal and Child Health

28-4-421. Terms of temporary permit or license.

(a) The license capacity for each child care center and each preschool shall be specified on the temporary permit or license.

(1) License capacity shall be determined by age of children, available space, and number of self-contained units per facility.

(2) Each applicant with a temporary permit and each licensee shall ensure that the license capacity as stated on the temporary permit or license is not exceeded.

(3) No change to the terms of the license, including a change in the license capacity, age of children enrolled, or the number of units, shall be made unless written approval is granted by the secretary.

(b) Validity of the temporary permit or license.

(1) Each temporary permit or license shall be valid only for the person and the address specified on the temporary permit or license.

(2) When an initial or amended license becomes effective, all previous temporary permits or licenses issued to the applicant with a temporary permit or licensee shall become invalid.

(c) Posting the temporary permit or license and the availability of regulations. Each applicant with a temporary permit and each licensee shall post each temporary permit or license in a conspicuous place on the premises that is visible to parents. A copy of the current regulations governing child care centers and preschools shall be readily available to all staff.

(Authorized by K.S.A. 65-508; implementing K.S.A. 65-504 and K.S.A. 65-508; effective May 1, 1983; amended May 1, 1984; amended Aug. 2, 2024.)
