Kansas Corporation Commission

Article 12.—Wire-Stringing Rules

82-12-3. Utility applications for electric supply lines.

Each utility proposing to build a new electric supply line, or contemplating a change in an existing electric supply line located outside the corporate limits of any city, shall present an application to the commission for approval. The application shall consist of a completed application form as approved by the commission, and any other information required by the form or these regulations including:

(a) Maps and plats, of a scale of at least one inch to the mile, showing any changes or additions to the electric supply lines; and

(b) a cost breakdown of the construction or extensions with unit cost of the plant.

On or before the day the application is submitted to the commission, the utility shall send written notice of the proposed construction or changes as required by K.A.R. 82-12-5.

(Authorized by and implementing K.S.A. 66-183; effective Aug. 11, 1995.)
