

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Water Resources

Article 5.—Change in the Place of Use, the Point of Diversion or the Use Made of Water Under an Existing Water Right

5-5-5. Signatures required on change applications.

If more than one person is the owner of a water right, and an application is filed for a change in the place of use, point of diversion, use made of the water, or any combination thereof, only the signature(s) of the landowner(s) whose portion of the water right(s) is (are) involved in the change shall be required on the application. If the extent of each owners interest in the water right has not been legally determined, then all landowners holding an undetermined portion of the water right must sign the change application or the landowners must submit an agreement signed by all landowners agreeing how the water right should be divided.

(Authorized by K.S.A. 82a-706a and 82a-708b; effective May 1, 1980.)
