

Kansas Administrative Regulations

Department of Health and Environment

Article 27.—Hazardous Household Articles

28-27-5. Practical equivalent of wording permitted.

Use of language on labels which is the practical equivalent of that suggested in 28-27-2 shall constitute compliance with these regulations, except that no words shall be regarded as the practical equivalent of the word "POISON" or "POISONOUS."

(Authorized by K.S.A. 1965 Supp. 65-2703; effective Jan. 1, 1966.)
