Kansas Administrative Regulations

Department of Health and Environment

Article 4.—Maternal and Child Health—Psychiatric Residential Treatment Facilities (PRTF).

28-4-1269. Animals.

Each permittee and each licensee shall ensure that the following requirements are met for any animals on the facility premises:

(a) If any animals are kept on the facility premises, the pet area shall be maintained in a sanitary manner, with no evidence of flea, tick, or worm infestation.

(b) No animal shall be in the food preparation area.

(c) Each domesticated dog and each domesticated cat shall have a current rabies vaccination given by a veterinarian. A record of all vaccinations shall be kept on file in the facility.

(d) Each permittee and each licensee shall ensure that each animal that is in contact with any resident meets the following conditions:

(1) Is in good health, with no evidence of disease; and

(2) is friendly and poses no threat to the health, safety, and welfare of residents.

(Authorized by and implementing K.S.A. 2013 Supp. 65-508; effective, T-28-12-17-13, Dec. 17, 2013; effective March 28, 2014.)
