

Kansas Administrative Regulations

Kansas Board of Examiners in Fitting and Dispensing of Hearing Instruments

Article 4.—Educational Requirements

67-4-7. Educational requirements; duties of executive officer; national organizations; acceptance.

(a) A written certificate stating the number of credit hours earned by attending an educational course offered by the board shall be provided to each participant.

(b) Any licensee completing the educational requirements through an annual program presented by an approved national hearing organization shall obtain verification of attendance. The licensee shall present this verification to the board with the annual renewal.

(Authorized by K.S.A. 74-5806; implementing K.S.A. 74-5821; effective May 1, 1982; amended May 1, 1984; amended May 12, 2000.)
