Kansas Department of Agriculture

Article 13.—Pesticides

4-13-19. Marking of aircraft.

Each pesticide business licensed in category one (1) which uses aircraft to apply pesticides shall identify each aircraft with a decal furnished by the secretary. Decals shall not be issued until all licensing requirements have been satisfied. Decals shall not be transferable. For fixed wing aircraft, the decal shall be affixed to and prominently displayed on the left rear portion of the cockpit or the canopy or on the left rear portion of the fuselage near the rear of the cockpit or canopy. For rotorcraft, the decal shall be affixed to and prominently displayed on the left side of the aircraft but not on the tail rotor.

(Authorized by K.S.A. 1980 Supp. 2-2467a; implementing K.S.A. 1980 Supp. 2-2456; effective May 1, 1981.)
