Article 22.—Electronic Supervision of Medical Care Facility's Pharmacy Personnel

68-22-5. Minimum operating requirements.

(a) A pharmacy student or pharmacy technician may enter the pharmacy without a pharmacist present for purposes of turning on the data, video, or audio links and determining if a pharmacist is available for electronic supervision.

(b) Electronic supervision shall not be permitted if an interruption occurs in any of the data, video, or audio links. Whenever an interruption in any of the data, video, or audio links occurs, no medication order shall be filled or dispensed using electronic supervision.

(c) Data entry may be performed by the electronically supervising pharmacist or the pharmacy student or pharmacy technician being electronically supervised. Each entry performed by an electronically supervised pharmacy student or pharmacy technician shall be verified by the electronically supervising pharmacist before the drug leaves the pharmacy.

(d) All medication orders processed by a pharmacy student or a pharmacy technician being electronically supervised shall be capable of being displayed on a computer terminal at both the location of the electronically supervising pharmacist and the medical care facility's pharmacy. The quality of the image viewed by the pharmacist shall be sufficient for the pharmacist to be able to determine the accuracy of the work of the pharmacy student or pharmacy technician.

(e) All patient demographic information shall be viewable in real time at both the location of the electronically supervising pharmacist and the medical care facility's pharmacy.

(f) Before a drug leaves the medical care facility's pharmacy, all of the following requirements shall be met:

(1) The electronically supervising pharmacist shall utilize the data, audio, and video links and review the patient profile, the original scanned medication order, and the drug to be dispensed to ensure accuracy.

(2) The supervising pharmacist, pharmacy student, or pharmacy technician shall cause an electronic or paper image of the medication order and the drug, as seen by the electronically supervising pharmacist, to be captured and retained in the electronic or paper records of the medical care facility's pharmacy for the same time period as that required for the written medication order.

(3) The supervising pharmacist, pharmacy student, or pharmacy technician shall cause a paper or electronic record that includes the patient's name, the medication order number, the name of the pharmacy student or pharmacy technician, and the name of the electronically supervising pharmacist to be made.

(4) The pharmacist in charge of the medical care facility's pharmacy shall ensure that controls exist to protect the privacy and security of confidential records.

(5) The supervising pharmacist, pharmacy student, or pharmacy technician shall cause a permanent digital record of all duties electronically supervised and all data transmissions associated with the electronic supervision to be made. Each record shall be maintained for at least five years.
