Kansas Dental Board

Article 9.—Practice of Dentistry by a Dental Student

71-9-1. Definitions.

As used in this article, the following terms shall have the meanings specified in this regulation:

(a) "Dental student" means a person who meets the following requirements:

(1) Has completed at least 50 percent of the required hours of dental classroom and clinical training at an educational institution; and

(2) is currently enrolled as a student at an educational institution.

(b) "Educational institution" means a dental school approved by the board that has obtained approval from the board to operate an educational program, pursuant to K.S.A. 65-1423(a)(9) and amendments thereto, in which dental students will perform dentistry.

(c) "Supervising dentist" means a dentist who meets the following requirements:

(1)(A) Has an active license to practice dentistry in Kansas; or

(B) is eligible to be licensed in Kansas and has an application to be licensed in Kansas pending;

(2) has faculty status with an educational institution;

(3) has been assigned to a department of the educational institution and has agreed in writing to use the department's objectives in supervising and evaluating the work of the dental students; and

(4) has agreed in writing to confer as necessary, but at least annually, with the department chair and educational institution administrators to ensure that the educational activities supervised by the supervising dentist are being conducted to achieve the educational goals of the educational institution.

(Authorized by K.S.A. 74-1406(l); implementing K.S.A. 65-1423(a)(9); effective Jan. 9, 2009.)
