Department of Health and Environment

Article 4.—Maternal and Child Health—Infant and Toddler Program.

28-4-441. Programs serving school-age children.

(a) Each unit for school-age children shall be separate from units for younger children, except for the following periods:

(1) During the academic school year before and after school, in-service days, school holidays, scheduled or emergency closures, school breaks not to exceed two consecutive weeks, two hours before and after school; and

(2) during the two consecutive weeks before the opening of the academic school year in August or September and following the end of the academic school year in May or June.

(b) Staff-child ratios and unit size shall conform to the provisions of K.A.R. 28-4-428 and shall be based on the age of the youngest child in the group.

(Authorized by and implementing K.S.A. 65-508; effective May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended May 1, 1986; amended Aug. 2, 2024.)
