Article 5.—Provider Participation, Scope of Services, and Reimbursements for the Medicaid (Medical Assistance) Program

30-5-61b. Suspension of payment liability to medical providers.

(a) Suspension of payment liability because of determination by the secretary of health and human services. The agency shall suspend payment liability for services provided by any medical provider during any time period in which payments may not be made to the provider under titles XVIII or XIX of the social security act because of a determination by the secretary of health and human services pursuant to 42 U.S.C.A. 1395y(d)(1) and (e)(1), clause (C)(ii), (D), (E) or (F) of 42 U.S.C.A. 1395cc (b)(2). The suspension shall be effective upon receipt of the notification of the determination by the department of health and human services (HHS) and shall remain in effect until the agency is otherwise notified by HHS. The agency, no later than the effective date of the suspension, shall send written notification of the suspension and the reasons therefore to the affected medical provider. No payment shall be made to any medical provider for services provided by the medical provider during the time period of suspension unless the agency receives notification from HHS to do otherwise.

(b) Suspension of payment liability upon notification of proposed termination.

(1) Payment liability may be suspended by the agency upon notification to a provider of a proposed termination if the provider may no longer legally provide services or for other good cause. No payment shall be made to a provider for services rendered after the provider receives notification of the suspension.

(2) If payment liability is suspended to an adult care home, payment liability for those program recipients who are living in the home at the time of the suspension may be continued, for a period not to exceed 30 days, to facilitate the orderly transfer of the recipients to another facility or to alternate care.
