

Kansas Administrative Regulations

Department of Labor—Division of Workers Compensation

Article 24.—Rehabilitation

51-24-6. Qualification of private training facility.

Before a private training facility begins providing vocational rehabilitation training or education to persons under the Kansas workers compensation act, the vendor formulating the training plan shall file with the vocational rehabilitation administrator a sufficient description of the course work and qualifications of the individuals performing the training or education to satisfy the vocational rehabilitation administrator that the training is adequate and appropriate to fulfill the goal of the plan.

(Authorized by K.S.A. 44-573; implementing K.S.A. 44-510g, as amended by 1987 HB 2573, Sec. 1; effective, T-88-20, July 1, 1987; effective May 1, 1988.)
