Article 23.—Charitable Gaming

92-23-48. Bingo; procedure for correction if wrong number called.

(a) If a caller calls a number different from what is on the ball or other object selected by chance and this fact is brought to the caller's attention before the prize is awarded for that game of bingo, then the mistake shall be corrected by announcing that the correct number will be used rather than the incorrect number.

(1) If this correction results in one or more immediate winners, then the game of bingo shall be deemed complete at that point. If the caller can determine who would have won first if the mistake had not been made, then the prize or prizes shall be awarded to that winner or those winners. If the caller cannot determine which winner would have won first, then the prize or prizes shall be split as equally as possible among the winners.

(2) If this correction does not result in at least one winner, then the game of bingo shall be continued until there is a winner.

(b) If a caller calls a number different from what is on the ball or other object selected by chance and this fact is brought to the caller's attention after the prize or prizes have been awarded for that game of bingo, then no correction shall be made and the winner or winners shall retain the prize or prizes.

(Authorized by and implementing K.S.A. 2015 Supp. 75-5181; effective Feb. 12, 2016.)
