Article 26.—Commercial Industrial Hemp Processing

22-26-10. Acquisition of hemp, by-products, distillate, or seeds for processing.

(a) Each processor shall obtain hemp, by-products, distillate, or seeds only from legal sources.

(b) Each processor shall accept hemp, by-products, distillate, or seeds only if the material is accompanied by a harvest certificate, a certificate of analysis, or a similar document and by a signed bill of lading that includes the weight of the material transferred, the date of the transfer, and the following information:

(1) The name, address, and registration, permit, or license number of the producer of the hemp;

(2) the name, address, and registration, permit, or license number of the person from whom the processor acquired the hemp, by-products, distillate, or seeds; and

(3) the name, address, and registration, permit, or license number of any prior processor.

(c) Each processor shall assign a batch identification number to each batch at the time of acquisition.

(d) Each processor shall retain the records required by this regulation for at least three years and shall make the records available to the state fire marshal upon request.
