Department of Labor

Article 50.—General Requirements for All Boilers

49-50-15. Installation of used or secondhand boilers or pressure vessels.

A used or secondhand boiler or pressure vessel may be shipped for installation in this state only following an inspection by an inspector qualified by an examination equal to that required by this state or by an inspector holding a national board commission, at the location where originally installed. Data submitted by the inspector shall be filed by the owner, user, or installer of the boiler with the chief inspector of this state for the chief inspector's approval. The boilers or pressure vessels, when installed in the state, shall be subject to inspection by the chief inspector or deputy inspector and shall meet current safety codes as set forth in these regulations.

(Authorized by K.S.A. 1998 Supp. 44-916; implementing K.S.A. 1998 Supp. 44-923; effective May 1, 1987; amended April 28, 2000.)
