Article 3.—Preparation and Transportation of Bodies, Burial in Mausoleums and Funeral Establishments

63-3-17. Services and merchandise pricing.

(a) Each funeral service casket in the casket selection room shall have a card or brochure that sets forth the price of the service using that casket and lists the services and any other merchandise included in the price. If there are separate prices for the casket, services, or the use of facilities and equipment, the card shall indicate the price of the casket and of each item separately priced.

(b) If a funeral service establishment uses the facilities of a manufacturer, jobber, or other place where caskets are displayed for selection, the funeral licensee conducting the service shall place the cards or brochures required by subsection (a) in the caskets before any selection is made by those arranging a funeral.

(c) Each funeral service licensee shall give to the person or persons making funeral arrangements a written price statement signed by the licensee or a representative of the funeral establishment or branch establishment. The written statement shall be provided at the time funeral arrangements are made or before the merchandise or services are provided. This written statement shall show the following information:

(1) The price of the service that the family has selected and the services that are included in it;

(2) the price of each of the supplemental items of service or merchandise, or both, requested; and

(3) the amount involved for each of the items for which the funeral director can advance funds as an accommodation to the family, insofar as any of the above can be specified at that time.

(d) Funeral service rental caskets shall be separately designated with a card or brochure in each casket and shall be designated as rental caskets on the casket price list.
