Article 36.—Determination of Priorities and Schedules

1-36-3. Variations in rates; priority or deferred processing.

Within the limitations imposed by the operating software systems that control processing within DCS computer facilities users may, at their option, request either priority or deferred processing. Rate adjustments resulting from these requests will be in conformance with published rates and charges and will be detailed in billing statements. (Authorized by K.S.A. 75-3706 and 75-4703; effective, E-74-4, Nov. 2, 1973; effective May 1, 1975; amended May 1, 1978.)
