Department of Health and Environment

Article 19.—Ambient Air Quality Standards and Air Pollution Control—General Permits.

28-19-400. General permits; general requirements.

(a) A general permit applicable to a similar category of emissions units or stationary sources required to obtain a permit by the Kansas air quality regulations may be adopted by the department subject to the following conditions:

(1) the department determines there are a sufficient number of potentially eligible sources to justify adoption of a general permit;

(2) the general permit requires compliance with all requirements of the Kansas air quality statutes, Kansas air quality regulations, and federal clean air act which are applicable to the category of sources covered by the general permit; and

(3) the general permit adoption process complies with all procedures and requirements applicable to the issuance of the corresponding class of construction or operating permit.

(b) A general permit shall have the same term as the corresponding class of construction or operating permit.

(c) Affected sources under title IV, acid deposition control, of the federal clean air act, shall not be eligible to operate under the terms of a general permit.

(Authorized by K.S.A. 1993 Supp. 65-3005; implementing K.S.A. 1993 Supp. 65-3008; effective Jan. 23, 1995.)
