

Kansas Administrative Regulations

Kansas State Board of Cosmetology

Article 12.—Tanning Facilities

69-12-7. Tanning device operators.

(a) A tanning device operator shall be present when a tanning device is operated.

(b) A tanning facility operator shall maintain verification of training for each tanning device operator. Training shall include knowledge in the following areas:

(1) the requirements of these regulations;

(2) procedures for correct operation of the facility;

(3) recognition of injury or overexposure;

(4) manufacturer's procedures for operation and maintenance of tanning equipment;

and

(5) emergency procedures in case of injury.

(c) A tanning facility operator shall maintain a list of tanning device operators, trained in accordance with this section, which shall be available at the tanning facility.

(Authorized by K.S.A. 65-1925; implementing K.S.A. 65-1924; effective Dec. 13, 1993.)
