Kansas Department of Revenue

Article 24.—Liquor Drink Tax

92-24-23. Bond.

(a) Each applicant or licensee submitting an application for a new license or for renewal of an existing license shall post or have posted with the department of revenue a bond in an amount equal to three months' average liquor drink tax liability or \$1000, whichever is greater, at the time of the application. Any new applicant who has no previous tax experience may estimate that person's expected liquor drink tax liability projected over a 12-month period and submit a bond in an amount equal to 25% of the projected tax liability or \$1000, whichever is greater. A certificate of liquor drink tax registration shall not be issued until the bond requirement is satisfied.

(b) Bond requirements may be satisfied through surety bonds purchased from a corporate surety, escrow bond agreements, or the posting of cash bonds.

(c) An additional bond may be required by the secretary of revenue at any time if the existing bond is not sufficient to satisfy the three months' average liability of the licensee.

(d) The existing liquor drink tax bond requirement for any licensee may be waived by the secretary of revenue if the relief is requested in writing and the licensee has remained compliant with K.S.A. 79-41a01 et seq., and amendments thereto, for at least 24 consecutive months before the date of the request for bond relief. If, after the bond is released, the licensee becomes delinquent in filing and remitting the liquor drink tax, a bond shall be required for any subsequent renewal of the license.
