Kansas Department of Transportation

Article 11.—Public and Private Utilities on Highway Right-of-Way

36-11-6. Utility accommodation policy.

Public and private utilities, including pipelines, shall be constructed, reconstructed and maintained (including chemical brush control and tree trimming) under, on or over any state highway right-of-way, including that acquired for controlled access facilities, only with the prior approval of the secretary of transportation. A highway permit agreement shall be obtained from the Kansas department of transportation. In the event of an emergency endangering the life, safety or welfare of the public, no prior approval or permit agreement shall be required.

(Authorized by and implementing K.S.A. 1983 Supp. 68-404; modified, L. 1981, ch. 420, May 1, 1981; amended May 1, 1985.)
