Kansas Administrative Regulations

Department of Health and Environment

Article 4.—Maternal and Child Health—Screening of Newborn Infants.

28-4-511. Test refusal.

Refusal to take part in the testing procedure shall be documented in the child's record at the institution or physician's office or both.

(Authorized by K.S.A. 65-101; implementing K.S.A. 65-182; effective, T-87-48, Dec. 19, 1986; effective May 1, 1987.)
