Kansas Department of Agriculture—Division of Animal Health

Article 7.—Movement of Livestock Into or Through Kansas

9-7-6. Cattle; calves (heifers or bulls), and steers.

Calves (heifers or bulls), over 2 and under 6 months of age, and steers, may be imported into Kansas, accompanied by an official health certificate, except when a specific disease condition exists in a state and special requirements are made by the Kansas livestock commissioner.

Calves under 2 months of age shall not be moved into the state of Kansas and shall not be sold therein, unless and until a purchaser of the same, located in Kansas, has first obtained from the Kansas animal health department a special permit, authorizing such movement into Kansas with delivery at a Kansas destination. Any movement of such calves into the state of Kansas, under such a special permit, shall be accompanied by an official health certificate, issued by authorized personnel within the state from which the movement of such calves originated. Any such calves, being moved into the state of Kansas under authority of a special permit, shall be quarantined upon the premises of the Kansas purchaser at the Kansas delivery destination for a period of 60 days following the date of delivery: *Provided*, That this regulation shall not apply to any movement of calves under the age of two months, when such calves are accompanied by their respective dams and when such dams are accompanied by a health certificate which has been issued by authorized personnel at the point of origin.

(Authorized by K.S.A. 47-607d, 47-610 and 47-620; effective Jan. 1, 1966; amended Jan. 1, 1971; amended, E-72-14, May 26, 1972; amended Jan. 1, 1973; amended Jan. 1, 1974.)
