Kansas Administrative Regulations

Department of Health and Environment

Article 19.—Ambient Air Quality Standards and Air Pollution Control—Operating Permits.

28-19-502. Operating permits; identical procedural requirements.

(a) Upon the written request of the applicant and as approved by the department, procedural requirements for the issuance of an initial operating permit or modification of an operating permit which are identical to procedural requirements for the issuance of the construction permit for the new stationary source or the relevant modification, may be considered satisfied if accomplished during the construction permit issuance process.

(b) This regulation shall not be interpreted to relieve an applicant from the requirement to timely file a complete application, appropriate application fee or any other information required by the department, when applying for an operating permit or modification to an operating permit.

(Authorized by K.S.A. 1993 Supp. 65-3005; implementing K.S.A. 1993 Supp. 65-3008; effective Jan. 23, 1995.)
