Kansas Department of Agriculture—Division of Animal Health

Article 18.—Animal Facility Inspection Program—License and Registration Fees

9-18-18. Contingency planning.

Each licensee shall develop, document, and follow a written contingency plan to provide for the humane handling, treatment, transportation, housing, and care of the animals on the premises if an emergency or natural disaster occurs. The plan shall be updated annually, be made available to the commissioner or the commissioner's representatives upon request, and at minimum include the following:

- (a) Identification of potential known risks, including power failures, fires, natural disasters, and faulty heating, ventilation, and air conditioning systems;
- (b) an outline of specific tasks required to be carried out in response to the identified emergency; and
- (c) identification of the individual or individuals responsible for carrying out the plan, along with contact information for each individual.

(Authorized by and implementing K.S.A. 47-1712; effective Nov. 17, 2017.)
