

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Animal Health

Article 12.—Swine, Specific Pathogen Free Regulations

9-12-8. Accreditation suspension or termination.

A positive diagnosis or atrophic rhinitis, virus pig pneumonia, or vibrio coli dysentery, shall be cause for disqualification of SPF swine herd accreditation. The presence of any other disease may cause temporary suspension of such accreditation, for a minimum of 30 days after the disease is eliminated, and until the livestock sanitary commissioner of Kansas has passed favorably on the herd.

(Authorized by K.S.A. 1968 Supp. 47-670; effective, E-68-24, Aug. 9, 1968; effective Jan. 1, 1969.)
