Article 72.—Residential Childhood Lead Poisoning Prevention Program

28-72-1o. Definitions.

In addition to the definitions in K.S.A. 65-1,201 and amendments thereto, each of the following terms shall have the meaning assigned in this regulation: (a) "Occupant protection plan" means a plan developed by a lead abatement supervisor or project designer before the commencement of lead abatement or lead hazard control in any structure designated by the act that describes the measures and management procedures to be taken during lead abatement or lead hazard control to protect the building occupants from exposure to any lead hazards.

(b) "Occupation" means one of the specific disciplines of lead-based paint activities identified in this article for which individuals can receive training from training providers. This term shall include renovator, lead abatement worker, lead abatement supervisor, lead inspector, risk assessor, and project designer, and any combination of these.

(c) "Oral exam" means a test that is equivalent in content to a corresponding written exam but is read to the student by the principal instructor. Each student taking an oral exam shall be required to provide the answers to the exam in writing.

(Authorized by and implementing K.S.A. 65-1,202; effective April 9, 2010.)
