

Kansas Administrative Regulations

Kansas Department for Children and Families

Article 27.—Oil and Gas Leases on Institutional Properties

30-27-1. Determination of land to be leased for oil, gas, or other mineral purposes.

The secretary will determine which lands under his control may be leased for the production of oil, gas, or other materials without undue interference upon any state institution or any purpose or function of the secretary.

(Authorized by K.S.A. 76-112 and 76-112d; effective, E-74-26, May 1, 1974; effective May 1, 1975.)
