

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Water Resources

Article 13.—Sand and Gravel Pit Operations

5-13-9. Easements and covenants.

The applicant shall provide any easements or covenants, attached to or running with the land, that are necessary to document that the offset water acquired pursuant to K.A.R. 5-13-7 will continue to be legally available to offset the evaporation of groundwater.

(Authorized by K.S.A. 82a-706a; implementing K.S.A. 82a-721 and K.S.A. 82a-734; effective Sept. 22, 2000.)
