Article 20.—Controlled Substances

68-20-14. Modification, transfer and termination of registration.

(A) *Modification in registration*—Any registrant may apply to modify his registration to authorize the handling of additional controlled substances by submitting a letter of request to the state board of pharmacy. The letter shall contain the registrant's name, address, registration number and the substance and/or schedules to be added to his registration and shall be signed by the same person who signed the most recent application for registration or reregistration. If the registrant is seeking to handle additional controlled substances listed in schedule I for the purpose of research or instructional activities, he shall attach one copy of the federally approved research protocol describing each research project involving the additional substances, or two copies of a statement describing the nature, extent and duration of such instructional activities, as appropriate. One-half of the original fees shall be required to be paid for said modification. The request for modification shall be handled in the same manner as an application for registration.

(B) *Termination of registration*—The registration of any person or location shall terminate if and when such person or authorized representative of a location dies, ceases legal existence, discontinues business or professional practice or changes the location as shown on the certificate of registration. Any registrant who ceases legal existence, discontinues business or professional practice, or changes location as shown on the certificate of registration, shall notify the board promptly of such fact and forthwith deliver the certificate of registration directly to the secretary or executive secretary of the board. In the event of a change in name or mailing address the person or authorized representative of the location shall notify the board promptly in advance of the effective date of this change by filing the change of name or mailing address with the board. This change shall be noted on the original application on file with the board.

(C) *Transfer of registration*—No registration or any authority conferred thereby shall be assigned or otherwise transferred except upon such conditions as the board may specifically designate and then only pursuant to its written consent.
