Department of Health and Environment

Article 19.—Ambient Air Quality Standards and Air Pollution Control

28-19-16k. Notification requirements.

A permit shall not be issued, suspended or revoked under the provisions of K.A.R. 28-19-16b or 28-19-16j unless provision has been made for a public hearing on the matter upon the written request of any person affected by such proposed action. Such request shall be made within thirty (30) days of:

(a) publication of notice in a newspaper, having general circulation in the nonattainment area in which the source is, or will be, located, indicating the nature of the proposal and advising the public of the opportunity to either request a hearing or submit written comments directly to the secretary concerning the proposal;

(b) sending a copy of the public notice to the applicant and to state and local officials and agencies having cognizance over the location where the proposed actions will occur or emissions from it could significantly contribute to levels of air pollution in excess of the national ambient air quality standards; and

(c) sending a copy of the public notice to the regional administrator of the U.S. Environmental Protection Agency.

(Authorized by K.S.A. 65-3005; implementing K.S.A. 65-3005; effective, E-81-35, Nov. 12, 1980; effective May 1, 1981.)
